

STRATEGIC PLAN

2023-2027

Every French school defines a strategic plan spanning three to five years, aligning with the key priorities outlined by the French Ministry of Education, Youth and Sports, and following the directives provided by the AEFE.

At Lycée Jules Verne, our strategic plan is a product of collaborative consultation and active engagement from every member within the school community.

PRIORITY 1

**EMPOWERING EACH STUDENT
ON THEIR PATH TO SUCCESS**

PRIORITY 2

**EMBRACING GLOBAL
PERSPECTIVES, FOSTERING
CULTURAL AWARENESS, AND
ENGAGING WITH THE HOST
COUNTRY**

PRIORITY 3

**EDUCATING AND GUIDING
CITIZENS IN A SUSTAINABLE
WORLD**

EMPOWERING EACH STUDENT ON THEIR PATH TO SUCCESS

PRIORITY 1

- Foster student engagement through effective inter-grade collaboration
- Enhance French proficiency at Lycée Jules Verne
- Provide comprehensive support for allophone students and their families, facilitating mastery of the French language from elementary to high school
- Promote inclusivity of all students
- Increase multilingual learning experiences
- Develop ambition and motivation to inspire excellence
- Increase the prominence of career guidance
- Enrich students' career pathways

**EMBRACING GLOBAL
PERSPECTIVES, FOSTERING
CULTURAL AWARENESS, AND
ENGAGING WITH THE HOST
COUNTRY**

PRIORITY 2

- Foster unity within the educational community, cultivating a strong sense of belonging
- Encourage greater parental involvement
- Solidify Lycée Jules Verne's identity within the host country
- Expand partnerships and cooperation with the host country
- Open up the school to the world

EDUCATING AND GUIDING CITIZENS IN A SUSTAINABLE WORLD

PRIORITY 3

- Maintain our commitment to Sustainable Development
- Take ownership of the 17 Sustainable Development Goals (SDGs)
- Inform and sensitize students to Sustainable Development issues
- Combat discrimination and promote gender equality
- Cultivate individual well-being within a positive environment in the school
- Teach and learn in a digital world
